Summary

The RPM Building Solutions Group (BSG) is committed to protecting the environment, preserving the health and safety of our employees and communities, and assuring the safe operations of our processes. As such we continue to work to reduce the use of Butyl Benzyl Phthalate.

Butyl Benzyl Phthalate is used to in the formulation of Waterproofing, Sealants, Adhesives and Coating materials.

Options Implemented

Substitution/Replacement will be used as the replacements become cost effective.

Timelines

No timeline has been established as the timing of when replacements become available is not certain.

As of December 13, 2013 , I certify that I have read the toxic substance reduction plan for Butyl Benzyl Phthalate and am familiar with its contents, and to my knowledge the plan is factually accurate and complies with the Toxics Reduction Act, 2009 Ontario Regulation 455/09 made under the act.

Paul A. Valadao Paul A. Valadao
